

# Door Restore

Designed specifically for metal rollup doors

**State of the Art Metal Door Refinishing Systems  
Exclusively for the Self Storage Industry**

- Rejuvenates existing finishes and paint coatings that are failing due to sun, pollutants, weather exposure and other environmental conditions.
- Employs catalyzed acrylic polyurethane technology, used in high quality automotive clear coats. Fortified with "UV inhibitors" that will never yellow.
- Restores the original color and shine of the door
- Preserves and protects your investment, adding years of life to the finish.
- Super hard, hi-gloss finish, makes dust, graffiti, and grime easier to clean off.
- More cost effective than repainting

This is not a wipe on polymer that needs reapplication every year or two. When used with our patented cleaning and etching process, this system comes with a 6 year material and labor \*warranty against dulling, fading, chipping, and peeling.

Door Guard is available in black, white, clear and custom colors for a multitude of projects

### Door Guard Finishes & Select Colors

#### 3000 Semi-Gloss

Utilizing the latest in industrial grade 100% acrylic resin technology "Door-Guard" 3000 is an economical way to restore your metal doors to a "like new" condition with a 2-3 year material and labor \*warrantee against fading and peeling. The durable gloss finish makes keeping your doors clean a breeze.

#### 6000 Hi-Gloss

This automotive grade polyurethane catalyzed acrylic, with "UV inhibitors" gives a super durable hi-gloss finish that is chemical and solvent resistant. Used with our patented resin sealer, this system has a 6 year material and labor \*warrantee against dulling, fading, chipping, and peeling. Grime, graffiti, and pollution will clean right off.

#### ULTRA-LIFE Diamond Gloss

This 3 step, premium system, utilizes the latest catalyzed polyurethane technology to provide the best finish and durability available at any cost. It has all of the features of our Hi-Gloss, and longer lasting durability provided by our clear sealer, enabling us to offer up to a full 10 year material and labor \*warrantee.

Also restores signs, awnings and other painted metal surfaces!
